SEWER DISCONNECTION APPLICATION

TERMS AND CONDITIONS:

1. The building sewer (house to curb) must be disconnected from the house connection (curb to main) and capped at the property line with an approved plug (check with TRWRA for location and pipe type). **The Disconnection will typically be at a six (6") inch pipe near the edge of the property. All old four (4") pipe is to be removed.** The Authority shall be notified a minimum of 48 hours in advance of the disconnection so an inspection can be scheduled.
2. A fee of \$200.00 shall be charged to the TRWRA account of the property in question and shall be included on the next sewer bill. **Failure to pay this fee will result in a lien being placed on the property.**
3. By signing below, the owner consents to the aforementioned disconnect fee being applied to their sewer bill. If this application is submitted by a contractor or agent, by signing below they are confirming that they are duly authorized to commit the owner to the \$200.00 fee, and that the owner consents to the fee being applied to their sewer bill.
